"Thank you."
(AEA Federal Credit Union *Giving Everyday*)

Dear Miriam:

On behalf of the board of directors, students, and staff of Adult Literacy Plus of Southwest Arizona (ALPS), I wish to thank you for your generous office gift to our Adult Education agency.

Your kind gift is a gift that truly helps support the education of our community's adults in reaching their academic and career goals. It is individual donations like yours that help us fulfill our goal to improve the lives of those who need it most while providing the moral support needed to continue our mission during this difficult time.

It is our hope that this letter will help to communicate our *very big thanks* for your generosity. Thank you for investing in our organization and in the students we serve. Your generous gift will go to good use, and we'll update you throughout the year with program announcements and special events. We are so lucky to have you as a donor.

Sincerely,

Jesse Figueroa, Program Director
